# WAVERLEY COLLEGE PARENT REVIEW RESULTS 2008

14 October 2008

Dear Parents / Guardians

The College would like to acknowledge the significant number of responses to the 2008 Parent Review. The results were tabulated and are printed below as percentages. The College Executive would like to thank the many people who also provided written feedback. While there are too many comments to reprint, the ideas will become part of our deliberations as we move forward in 2009 & 2010.

One frequent comment indicated that a number of new parents were not sure of the composition of the College Executive.
