WAVERLEY COLLEGE AGREEMENT AND COMMITMENT 2009

As parents, we recognise and accept the aims of this school as a Catholic School and will support the College, its religious practices and programs, whatever our faith or beliefs and we agree to the following conditions as determined by Waverley College.

As a student,

1. I agree that my education at Waverley and the education of others is paramount. I therefore understand I need to dedicate myself to all aspects of the academic, spiritual and physical programs offered by the College by committing to working with my teachers to achieve my best in all things.
2. I agree that it is of the utmost importance that I respect the dignity of other persons — students and teachers, alike. I understand that rudeness, bullying in any form, uncivil language and unruliness are unacceptable. Likewise, I realise that stealing is unacceptable and a serious breach of school regulations. My conduct will at all times be marked by politeness, common sense, and respect for others.
3. Realising the harmful nature of unlawful drugs, dangerous weapons, alcohol and smoking, I agree to abide by the regulations which forbid their use and /or possession: on my way to and from school / at school / on excursions, retreats, socials or any school based activity.
4. I agree to wear the full correct Waverley uniform, and to take pride in it. If, on a particular day I am unable to wear any part of the uniform, I will present my teacher with a note from my parents, dated and signed. I understand that the blue and yellow striped t-shirt and the College tracksuit are the only acceptable alternatives (Senior school). I realise the reputation of the College rests in part on the neatness and good grooming of its students. I accept the school's decision on what is acceptable.
5. I will ensure that my conduct while travelling to and from school is exemplary at all times, especially on public transport.
6. I will accept the rules and discipline of the College and abide by the directions given for the good management of the College. In particular, I will abide by all regulations pertaining to the use of all Personal Electronic Devices such as mobile phones, MP3 players, computers, web sites, the internet and the like.
7. I will endeavor to do my best and use all my talents for the College and myself and will foster a sense of community spirit in the College by participating in co-curricular and extra-curricular activities. I agree to place my commitment to JSHAA / CAS and other Co-curricular (eg Debating) before any commitment I may have to a club sport / activity outside of the College or to any parttime work commitments. I will participate in / be present (if required) at the usual school activities such as CAS events, Swimming, Athletics, Parent / Teacher / Student evenings and interviews, Concerts etc; I agree that any variation requires permission from the Headmaster, two weeks in advance.
8. Should I miss any work or assessment item for any reason, it is my responsibility to find out what the work was and complete it by the new date set by the teacher. I will abide by all College policies regarding assessment procedures including supplying a genuine doctor's certificate.
9. I accept that the educational aims of Waverley College are spiritual, physical, intellectual, emotional and social and that to assist the school in achieving these I need to participate in all of these to my fullest. I accept that all school camps, excursions, retreats and the like make up an integral part of the school's educational program and when requested will participate to the best of my ability.
10. I understand that my position at the College may be jeopardised by breaking any of these regulations or if I am considered by the College to be an offender against the good order and discipline of the College or someone whose reputation or conduct outside the College brings disrepute upon the College.

I / We (Parent/Guardian) will support the school and our son in his endeavour to implement these fundamental school policies. I / We accept our role as the first educators of our children and agree to cooperate with the school in all their educational endeavours. I / We accept the above conditions of enrolment by virtue of our payment of school fees and agree to continue to pay all fees on time. I / We understand that continuation of enrolment is dependent upon the adherence to all the above conditions.
